**SUBJECT: REQUEST FOR SUPPORT TOWARDS ESTABLISHMENT OF A COMMUNITY
POULTRY FARMING PROJECT**

Dear Sir/Madam,

On behalf of Miritini Response Team, we respectfully submit this proposal seeking financial and material support towards the establishment of a community based poultry farming project aimed at promoting economic empowerment, food security and sustainable livelihoods among youth and community members in Miritini.

Miritini Response Team is a community based group committed to supporting development initiatives, disaster response activities and youth empowerment programs within the area. In line with this mission, the group intends to establish a mixed poultry farming project that will involve both egg and meat production to generate income and improve the welfare of its members.

The project will be implemented on land being secured through collaboration with the Kenya Red Cross Society, which will significantly reduce initial startup costs and allow resources to be directed towards production and operations.

PROJECT OVERVIEW

The proposed project will involve rearing:

- 250 layers for egg production
- 250 broilers for meat production

The project will be managed using proper poultry farming practices including proper housing, feeding, vaccination, biosecurity and record keeping to ensure sustainability and profitability.

PROJECT OBJECTIVES

1. To establish a sustainable poultry farming enterprise for income generation.
2. To create employment opportunities for youth and community members.
3. To promote food security within Miritini and surrounding areas.
